1 Introduction

The vision of Enkindle Village School (Enkindle) is to empower children through choices in education, incorporating our key values of, liberty, curiosity and joy, connection, and innovation. We will be using the Australian National Curriculum within a democratic model. To ensure the highest success, our school will be small by design, with fluid and flexible, multi-age classrooms.

Ensuring families understand our philosophy and support its principles creates the foundation for a good match between their children and the school. Enkindle is proud to be an open access school which invites enrolments regardless of gender, religion, race, academic prowess, or physical circumstances.

2 Purpose and scope of the policy

To provide a clear understanding of the terms in which enrolment will be offered to students as well as the procedure in which families will follow to apply for an enrolment position at Enkindle Village School.

Employees of Enkindle Village School involved in the enrolment application process, and all families and students who wish to enrol at Enkindle Village School.

Offering of a place at Enkindle Village School:

It is fundamental to the school operations that families are compatible with the philosophy and approach of the school. Families should be willing to become involved in the school community and orientate themselves with the Enkindle approach to education.

At Enkindle, we value the opportunity to meet with new families and their children. It is an important starting point for a mutually reciprocal relationship that support the child in their developing education. Interviews are held with the principal, or another member of the

school teaching team as delegated at the principal's discretion. This provides both parties with an opportunity to ask questions regarding enrolment at Enkindle.

Full and honest disclosure is required throughout the enrolment procedure. Enkindle may deny completion of enrolment or cancel enrolment if an application is found to contain misleading information.

Acceptance of the enrolment application and any ensuing interview is not a guarantee of a place being offered at Enkindle.

The following guidelines are adopted in prioritising enrolment applications:

- The child is a sibling of a child already enrolled at Enkindle.
- The family's understanding and support of the democratic education model
- Willingness to engage with the school community
- School record including pastoral and behavioural profile validated by referee check from previous school where applicable
- Date of application
- Any applications that are made after first round offers will be considered on a case-by-case basis. Once all places are accepted, a waiting list will commence. Students on the waiting list will then be offered any subsequent positions that may become available, according to the above guidelines.
- The school will amend this policy from time to time. The principal has the right to exercise his or her discretion in relation to all enrolment matters, including the weighting to be attached to each of the guidelines above.

Enrolment into our Prep Program:

Applications for enrolment into Prep can be submitted at any time and will be kept on file until the year before your child is due to commence Prep. A non-refundable application fee of \$100 is payable upon receiving confirmation of the enrolment application.

Interviews will be held in Term 2 of the year before your child is due to start Prep. A member of staff will be in contact to arrange your interview time. Letters of offer are sent shortly after the interviews have been completed. If there is not a place available, your child may be offered a place on the waiting list.

The table below is a guide as to when your child is eligible to commence Prep.
